FRESH COAT

I had gotten the place for a song. Of course the old farmhouse needed a lot of work—a total remodeling of the kitchen, new roof and gutters, plus a fresh coat of exterior latex. I planned to do all of this myself. Naïve on my part, perhaps, but I was determined. I was starting a new chapter, striving for independence and self-reliance in every aspect of my life.

The divorce was final. Mitch, my dictatorial ex-husband, was history. Now it was time to spread my wings and start living again.

Having spent the night in my new digs for the first time, I got up early and full of purpose. I ate a hearty breakfast, washed it down with a pot of strong coffee, and drove into town for some much needed supplies from the local hardware store.

It was a quaint little burg replete with courthouse square and a well-maintained park dotted with historical monuments. I was going to like it here, for sure. No more city life for me; to hell

Juicy Julia Ann...

I've followed Julia Ann's career for more than twenty years. I guess you could call it a career since I don't know what else's been doing during this time! She has been a timeless actress, and I'm sure some wanna be starlets emulate her. I know I would, and I kinda do... I watch her videos and movies with my husband, and we mimic what we see on the screen. This has really spiced up our sex life since we are both in our fifties, and this has helped us stay active and healthy sexually. As a matter of fact, I lost my anal cherry to one of her videos years ago. So let me thank her here in this letter. Stay juicy, Julia Ann.

— Michelle, San Antonio

with the rat race.

The hardware store had just opened when I pulled up out front. A cluster of scruffy day laborers—no doubt looking for work—had congregated in the parking lot.

Moving through the miasma of their cigarette smoke, I entered the store and was immediately accosted by the rotund proprietor. The man was polite without being patronizing; most importantly he knew his stuff, asking the right questions before telling me exactly how many buckets of paint I would need to complete the job.

"I admire your can-do attitude," he remarked while helping me load everything in the bed of my pick up truck, "but that's a mighty big job for one person."

"I can handle it," I told him.

"I'm sure you can, ma'am. Still, why kill yourself when you don't have to? I can't vouch for the rest of those fellows," he continued, regarding the five day laborers, "but Rob and Larry over there are hard workers. Hell, just last month

they did a damn fine job painting my barn.”

“Rob and Larry?”

“Rob’s the guy in the yellow cap. Larry’s the tall one with the mustache.”

I peered at the two-some; they were tall and rangy and leathery. Handsome, I reasoned, if you liked your men rough around the edges. Their muscles, unlike gym rat Mitch’s, had been earned from countless hours of sweaty, back-breaking labor.

My lone wolf philosophy dissolved rapidly. After all, three people could finish the job much quicker than one. And that, I thought with a sudden racing of my pulse, would leave more time for other things . . .

Having agreed upon a wage, Rob and Larry climbed into the cab of my truck and I drove us to my new house. We worked all morning—sanding, applying primer, then painting—and into the afternoon, finishing just shy of five.

The place looked great; though not nearly as good as Rob and Larry, especially after they discarded their shirts and wet their sweaty brows with the water hose. Watching the water sluice down their chiseled torsos did a number on me. Nipples stiffening, kitty moistening, I couldn’t stand it any longer. It was time to make my move.

“I don’t know about

you guys,” I told them, “but I could use a cold beer.”

“And how,” Rob replied.

“Now you’re talking,” Larry added.

They followed me up the porch steps and into the house. I had yet to fully unpack. Cardboard boxes were strewn about the place. My furniture—chairs here, sofa there—hadn’t been properly arranged.

I plucked three cold ones from the fridge, taking a hefty pull of mine as I proffered the others. Rob and Larry drank greedily as I poured the remainder of the can between my tits. Soaking through my halter top, the ice cold suds slid down my stomach, making me shiver delightedly.

Rob and Larry were

stupefied. They stood there—yes bulging, mouths agape—wondering what in the hell was going on. Shucking my halter top, I tossed the sodden garment on the kitchen counter, liberating my beer-soaked tit-ties.

“Come on, guys,” I told them after a moment’s hesitation. “My tits are thirsty . . .”

Rob was quicker on the take. He raised his can and upended it over my chest. A deluge of beer coated my perky C-cups, making me moan as Larry, smiling stupidly, added his can to the proceedings. Beer had run down the waistband of my denim shorts, soaking my panties before rolling down my inner thighs. The floor between my sneakered feet was splat-

tered with cold brew.

Both of them parched from toiling all day in the sun, Rob and Larry lapped and licked my twin mounds. Rob sucked one nipple, Larry the other, their joint effort making me hotter than a furnace. I shoved a hand down my shorts and rubbed my wet pussy. Cold beer and my own hot juices made for an effective lubricant. I moved my hand faster and faster as Rob and Larry continued to feast on my jugs.

In time, my hand still strumming my snatch, I knelt before them and smiled lasciviously. Licking my lips, I watched with increasing excitement as Rob and Larry dropped their pants and boxers.

Two big cocks stared me in the face.

And they were all mine.

I sucked Rob’s big schlong first. Larry stood there, stroking himself slowly, and enjoyed the show. All the while I kept masturbating, rubbing my cunt frenziedly as I polished Rob’s knob.

The spectacle got the best of Larry. Jerking faster and faster, he announced his forthcoming explosion—“I’m gonna’ come! Oh, shit, I’m gonna come!”—as I kept right on sucking Rob’s dick.

Jets of cum streaked my cheek as Larry released his load; the sensation of his hot spunk

sticking to my skin turned me on immensely, prompting me to blow Rob with renewed vigor. His response was immediate. Groaning and grunting, Rob pulled out and deposited a sizable wad on my face, adding his cum to Larry's.

No sooner had I paid the guys and dropped them off at the hardware store than I started to think about other jobs that Rob and Larry could help me with.

Painting was great and all, sure, but my backdoor needed some work...

— *Terri, Denver*

AFTER HOURS

After a busy night at the bar where I worked, the boss suggested a lock in for the remaining staff and a few friends of us all. We were all drinking and getting on very well, very, very well. One of the couples were already half drunk and started getting quite hot, kissing and touching each other, enjoying each other immensely, and getting the rest of us turned on in a big way.

The boss of the bar had been giving me the eye for quite a few months, and tonight, he decided he wasn't going to wait any more. We were all sat chatting, and touching each other, getting more and more turned on. I was getting moist and my clit was screaming out to be

rubbed. I really didn't care who did it, as long as someone did.

My boss seemed to sense my body and stuck his hand between my legs, feeling the small amount of cum that had started to drip out of me. He pulled me over to him, and lifted up my short skirt, then pushed his hand down my pants. His fingers were so welcome by this point, and I didn't give a fuck that the other people were watching.

One of the other guys walked over and placed my hand on his huge cock that was sticking out of his pants. I held on like a vice and started stroking him. He was spitting already, getting bigger with every stroke, and as I leaned forward to his cock, his body shook. He

knew he was going to be blown, but up until then he never thought it would be by me!

I sucked hard on him, and heard him moan. How long had he had this hard on? It was fucking rock hard, and he was loving my mouth around it, sucking and pulling it hard with my hand. My boss wanted in on the action, so without question he pulled me up and sat me on his massive cock, and with cum dripping from my cunt, I slid on nice and easy.

The guy I was blowing couldn't believe it. He was being sucked off while I was being fucked, and I was sucking at his cock so hard, he jacked it all out into my mouth, cum sliding down the side of my face. The couple were fucking like mad,

she had been screaming with every orgasm, and he was shooting cum all over her face.

I was bouncing up and down being fucked really hard, and came again. My cunt and my clit were on fire, my body was shaking and I could not control it. My orgasms were huge, one after the other, bang!

My boss couldn't hold his cum any more and threw me off him and stood over me. I felt helpless to the fact that this guy was going to shoot one hell of a load all over me. His cum came out like a raging waterfall, covering me and hitting my face hard, I was licking my lips, getting a good taste of it, loving it, all sticky and thick. Alas, I didn't stay working at the bar much after that. I'd had my fun with the boss but his flirting with me began to piss me off.

I got one of my cards and slipped my number in his back pocket and told him to call if he was ever lonely, and walked away. He did call me, but my husband answered the phone, so, I never heard from him again.

— *Nicole, Boston*

All of the guys fixing the potholes on our road have completely disappeared. We have no idea when they're going to resurface.

Captain Pothole to the Rescue

HE RESCUED THE STREET, THEN HE RESCUED HER PUSSY... AND ASS!

“. . . some sort of yucky stomach bug,” Erin spoke into the phone. “I should be okay by tomorrow.”

Her supervisor told her to get lots of rest and drink plenty of fluids. Erin thanked her boss for being so understanding, then ended the call with a triumphant smirk.

“Sick, my ass,” she muttered to herself.

Erin didn’t feel guilty about playing hooky, not in the least. She was a hard worker, hard and dependable and a major contributor to the advertising agency’s success. Quite frankly, she thought smugly, they couldn’t make it without me.

But work was out of the question today; this had become apparent while drinking her morning coffee and staring out the kitchen window. She had just taken that first glorious sip when “Captain Pothole” had parked at the curb in front of her house and started unloading his gear from the back of an old minivan. It wasn’t long before he was hard at work, filling the many potholes in front of her driveway.

A reporter had come up with the colorful moniker after the crusading citizen—a local bartender named Ronald Barlow—had taken matters into his own hands and started patching the city’s countless cratered streets. “If the city won’t do it,” he had said in his only taped interview, “then it’s up to me. Hell, somebody has to. These streets are downright dangerous.”

Of course the mayor resented Captain Pothole, whose actions he had publically condemned as “misguided” and “illegal.” Still, the possibility of arrest had failed to dissuade the hometown hero from filling as many pot-

holes as he could . . .

Now, standing at the kitchen window, her coffee having long since turned cold, Erin watched the shirtless crusader toil in the morning heat. His was a fit body, she noted; no doubt due to the physical demands of patching streets. She peered at broad shoulders, swollen pecs, sculpted abs, and the telltale bulge at the front of his tight-fitting workpants. She felt her nipples stiffen beneath a short robe of silk, felt her cunt moisten.

How can a gal be expected to write dull ad copy with a specimen like that working right in front of her house? No, Erin thought with conviction, she had definitely done the right thing by calling in with the bogus illness.

There were more important things than work.

She padded to the bedroom, removing her robe as she crossed the threshold. She entered the spacious master bath and retrieved her dildo from the shower stall. Masturbating in the shower was one of her favorite pastimes. Returning to her post in the kitchen, she pulled a chair to the window and sat down. Parting the curtain just enough for an unobstructed view, she leaned back and spread her legs.

Biting her lip, Erin massaged her tits with one hand, rubbing and twisting the pliant flesh. Her other hand wielded the dildo, which she glided up and down her wet slit, teasing herself as she watched Captain Pothole with mounting desire.

He was a good looking, sure. But there was more to it than that. He was a genuinely good guy, a man with conviction, a man willing to take risks and, more importantly, a man of action. He could have remained on the

No sooner had Erin's guest closed the kitchen door behind him than she leaned over a section of counter beside the stove. She was offering herself up on the proverbial platter...

sidelines like everybody else and complained about the sad state of the city's streets. But he hadn't done that. He was a doer. And Erin found that irresistibly attractive. Perhaps, she thought amusedly, he would do her . . .

Smiling at her joke, she tapped the glass glans against her clit, getting hotter and wetter by the second. Finally she pushed the phallus inside her, gasping as her pussy yielded to the big toy. She owned several dildos but

this one, the largest of the lot, was her all-time favorite. Pumping it between her splayed legs, still exploring her tits with the other hand, she imagined Captain Pothole driving his mammoth cock into her cunt.

His thrusts were powerful, his stamina unmatched by the other men she had bedded. Hers was an exaggerated fantasy, she knew, an over-the-top imagining of the quintessential stud.

Or was it?

Perhaps Captain Pothole was every bit the cocksman of her dreams, maybe even better.

There was only one way to find out . . .

She would have to become as proactive as the object of her desire. No more sitting on the sideline, no more watching from afar. If she wanted to truly experience what she was convinced would be the lay of her life, she would have to venture outside the safe confines of her suburban home and engage him.

She had much to offer, Erin did.

A cold glass of lemonade...

And three holes that needed filling...

Captain Pothole made short work of the lemonade. Erin watched his Adam's apple pulse as he downed the

refreshing beverage. Wearing her favorite sundress, cold glass in hand, she had walked down the driveway and joined him in the street, where she had voiced her thanks before proffering the drink.

Now he returned the empty glass. "Thank you much. That really hit the spot."

"Care for a refill?" Erin asked. "I have plenty."

"That's a tempting offer," he said, "but I'd better get back to work. This hole here isn't going to fill itself."

"No," Erin remarked, "I don't suppose it is."

She stood there watching him work for a few minutes before she said, "I insist on paying you for this, Mr. Barlow—"

"Call me Ron, please." He shook his head. "And that's mighty generous of you. But I can't take your money. I just wouldn't feel right about—"

"Who said anything about money?"

That got his attention. Captain Pothole ceased working and regarded her with new interest. Erin felt his eyes exploring her body as he mentally undressed her.

She smiled lasciviously. "Why don't you take a break, huh? My house is nice and cool. And I have the day off."

Having tossed the ball in his court, Erin turned and headed up the driveway. Captain Pothole didn't hesitate; he dropped his shovel and followed like an obedient dog.

No sooner had Erin's guest closed the kitchen door behind him than she leaned over a section of counter beside the stove. She was offering herself up on the proverbial platter, letting him do with her what he would.

Captain Pothole (AKA Ronald "Ron" Barlow) moved behind her and lifted the hem of her sundress. Erin wasn't wearing panties, her plush pear-shaped ass on full display.

She considered regarding him over her shoulder, then rejected this idea. Staring at the tile wall straight ahead, she let the sounds—the unbuckling of his belt, the unzipping of his fly, the dropping of his pants—work their titillating magic.

Erin's pussy was quite wet when he finally entered her. Consistent with her earlier fantasy, his cock was big. And he knew how to use it. She grunted and groaned as he fucked her from behind. None too gentle, he thrust with short stabbing motions. Her ass jiggled as he pounded her, absorbing the brunt of his onslaught.

This continued unabated until he withdrew and had her sit atop the kitchen table. The table was lower than the counter, perfect for what he had in mind. Erin grinned knowingly. He had a nice looking cock, which he stroked

Erin shivered when she felt his engorged cap press against her bunghole. This time he entered her slowly, more carefully, sliding inch by inch...

slowly as she lay there beside the sugar and cream set.

“Come on,” she urged him. “Pound my pussy.”

But he made her wait, seemingly delighted by her impatience. He shucked his schlong methodically, leering at her as she proceeded to play with herself. Erin rubbed her cunt vigorously, her eyes riveted to his swelling manhood.

It wasn’t long before she begged him to fuck her. Erin had no shame. She had never been so turned on in her life. And judging from the size of Captain Pothole’s erection, he was plenty horny as well.

He skewered her with shocking suddenness. Then he commenced to banging her with everything he had. She turned her head to the window, staring at his minivan on the street, his tools strewn in front of her driveway, as he thrust inside her.

Holes, Erin thought even as he reamed her.

He had filled one.

That left two.

Captain Pothole was pumping between her legs when she said, “My ass—I want you in my ass . . .”

All too eager to oblige, he pulled out of her pussy and lowered his prick. Erin shivered when she felt his engorged cap press against her bunghole. This time he entered her slowly, more carefully, sliding inch by inch inside her snug backdoor.

Far from an anal virgin, Erin had no problem accommodating his size. No problem whatsoever. Hell, she was even perturbed by his overly gently approach.

“Come on, man,” she urged him, “fuck my slutty little asshole like you mean it . . .”

“You asked for it,” Captain Pothole replied.

Then he granted her wish, ramming his rod up her ass with much force. Erin took it like a champion. She lifted her legs and grabbed her ankles, opening herself for a thorough and proper anal rutting.

He gave her everything she wanted and then some. Still, Erin wasn’t satisfied. Not just yet, anyway. One hole still needed filling.

Her mouth began to water.

“I want to taste my ass on you,” Erin uttered matter-of-factly.

The expression on Captain Pothole’s face said it all; he was dealing with one seriously dirty chick. His experience with ATM was limited to watching scenes on his preferred porn site. Now Erin was offering him the opportunity to experience the act firsthand . . .

He withdrew from her caboose. “Be my guest.”

Erin licked her lips greedily as she eyed his glistening prick. She held its thick base and lapped his shaft several times before engulfing him in earnest. Captain Pothole stood there and watched her head plunge frenziedly, her lips gliding up and down his dick with masterful skill.

“That’s it,” he told her. “Suck it good.”

And she did. The flavor of her pooper on his hard rod turned her on something fierce, prompting her to diddle her pussy. She could tell that he was almost there; his balls, she knew, were fit to burst.

He grunted a split second before pulling out and releasing a torrent of jizz. Erin took it all, delighting in the sensation of his hot seed spattering her face. Still rubbing her cunt, she experienced an intense orgasm as rivulets of cum ran down her flushed cheeks.

Erin tore several paper towels from a full roll and cleaned her face at the kitchen sink. Then she asked Captain Pothole if she could join him for the remainder of the day. “Like I told you,” she explained, “I’m off today. And I’d love to tag along and help.”

He had misgivings at first, but Erin was nothing if not persuasive. So they scoured the city in his minivan, patching as much pavement as they could. It was hard work, hard and hot. By quitting time Erin was exhausted.

But it was worth it. She had learned a lot. And filling the city’s holes was a noble cause. Though not nearly as much fun as having hers filled!

Gunda and her lover are getting freaky today and you will get to see.

Watch as Gunda's big bouncing bo-

bies jiggle as he thrusts in between them. Her mouth smacks as his tip pops out of her mouth with a loud sound and a happy moan. See the ecstasy on her face as her behind is railed silly, making her legs shake more

Gunda

and more with every thrust. They cum all over each other before slumping spent and happy into bed.

*Wanna see what
more this body can do?*
